DSONS IMPEX
LAB GROWN DIAMONDS

ABOUT DSONS IMPEX

Founded in 1984, the DSONS IMPEX is widely recognised for its trustworthiness and authenticity and is renowned for its product design, quality and value

A long-standing commitment to innovation merged with tradition has contributed to the success of DSONS IMPEX. Every diamond is embodied with True Precision. Ultimate Quality and Exquisite Craftsmanship.

The Group' s commitment to sustainable growth is anchored in its customer-centric focus and strategies, which are in place to develop long-term innovation in business, in people and in culture. DSONS IMPEX fosters excellence and extends opportunities along the entire value chain to communities and industry partners across the world.

WHY CHOOSE DSONS IMPEX

An established name, DSONS IMPEX has reached its pinnacle where it has become a pioneer in the diamond technologies and innovation space.

Transparency, Sustainability, Compassion and Inclusivity are the four pillars that drive everything that we do.

OURDISTINGUISHINGFEATURES

In-house Design and Production team

At DSONS IMPEX, designs are at its zenith. For any exclusive collections or customized bespoke pieces, we seek to bring reveal cultural innovation and durable perspective in these products by creating designs that will be cherished forever, while fitting seamlessly into people's lives.

DSONS IMPEX Group relies on its multi-talented and versatile In-house Design team which comprises of Jewellers designers from Reputed Design Institutes and Production teams with experts.

In-house Design team comprises of Concept Designers, 3D CAD designers, Design Draughtsmen who leave no room for error.

Finished Jewelry and Quality Control

DSONS IMPEX possesses a wholly equipped. systematic department, which aims delivering highest standards in quality control finished jewelry.

Our QC team is fitted with best of equipment which provides a full suite of quality and performance tests that ensure that your jewelry meets your specifications and any mandatory quality regulations.

MANUFACTURING AND FACTORY

Our experienced workforce is dedicated to defining excellence. A perfectly conducive environment for our polishers to produce the highest quality in both round and fancy-shaped diamonds.

We produce all shapes and colors from 0.10 carats and up to 10 carats, through a stringent quality control inspection process that is overseen by our factory team, and our in-house grader.

We are known for the creation of world class jewelry as we stand for a amalgamating magnificently composed diamonds alongside the purest metals to come up with stupendously designed and casted jewelry. We create, recreate, procreate elegance and brilliance. Our jewelry speaks volumes of a sea of emotions and intellect all at once. From a design on paper, to the CAD, to the casting, setting, polishing, finishing, we believe in maintaining the same consistency at all levels in terms of our craftsmanship and QUALITY.

TECHNOLOGY

Our state-of-art manufacturing facility is equipped with modern scanning, planning, cutting and polishing technologies along with experienced expert team, which delivers a sparkling diamond to you.

1) Rough Diamond Scanning - For more than 2k+ diamond manufacturers.

2) In-house LGD Growing Technology.

3) Globally Patented Diamond Polishing Robot.

4) Advanced Grading System.

Our Robots are constantly churning out precision cut diamonds that gives a constant brilliance in each individual diamond.

FUTURE PROSPECTS

We look forward to entering the global market space with the opening of international office in diamond trading hubs all over the world. We do it with a confidence that is secured by a solid brand reputation and a dedicated team that boasts a wealth of experience.

We know that expanding our client base means expanding our global reach. Minting interest means expanding our factory to increase our polishing capacities. This is how we will meet a growing local and international demand.

DIVERSE MERCHANDISE PORTFOLIO

With an aim to become one stop diamond jewelry ecosystem, DSONS IMPEX takes pride as it offers jewelry of every taste, catering different price points and for everyone.

From casual to bridal, bespoke to ready to ship, of ce wear to festive, we bring you diverse mix of jewelry styles for all.
