CAREER OBJECTIVE

A dedicated professional with 5 years of extensive experience in the gold industry, seeking a responsible position as a Gold Valuer. Aiming to leverage my expertise in gold purity testing and valuation to contribute to the organization's growth while ensuring 100% accuracy and customer trust.

PROFESSIONAL EXPERIENCE

- Senior Gold Valuer & Sales Executive (5 Years of Continuous Experience in the Gold Sector).
- Expert in determining gold quality using advanced Karattometer machines, touchstone, and acid testing methods.
- Specialized in calculating precise ornament valuation by deducting stone/impurity weight based on current market rates.
- Skilled in identifying counterfeit (fake) or low-quality gold to prevent financial risks.
- Experienced in explaining gold loan processes, schemes, and interest rates with transparency and professionalism.

TECHNICAL SKILLS

- Proficient in operating modern XRF gold testing machines and ultrasonic cleaners.
- Strong understanding of daily gold market fluctuations and valuation standards.
- Tech-savvy with interest in emerging technologies (Semiconductors & Lasers).

CORE STRENGTHS

- Integrity & Honesty: Clean track record of handling high-value assets and financial transactions.
- Efficiency: Quick and accurate valuations during peak business hours.
- Communication: Excellent interpersonal skills to build and maintain customer loyalty.

PERSONAL DETAILS

Languages Known: Telugu (Native), Hindi, and Basic English.

Education: High School / Intermediate.

Interests: Researching new technologies, Physics, and Advanced Semiconductor concepts (Nero Project).
