

Letter of approach to India

Attention: Attica Gold Company

Letter from: Neo Mashiloane (Group Managing Director & Deal maker)

My Company is based in South Africa, registered in Johannesburg. Founded in 2019, as Zanele Resources Group (private) limited. We are leading a gold mining project, in South Africa. We are on exploration and mining, crushing of gold ores. We are In a phase of leading gold beneficiation and refining.

We are pleased to approach Attica Gold Company India, to open negotiations to unlock, gold trade opportunity. Between South Africa and India, we are interested in Gold supply to Attica Gold. We are looking at 50 kilograms to 250 kilograms per month in exports.

Method of trade we are looking into adopting with Attica Gold Company

To Attica Gold Company and management, on behalf of Zanele Resources Group-South Africa. We would like to have your feedback and advice on gold services opportunity. You can give us. And if you need official meeting and appointment. We would be happy and humbled to be in your Headquarters, for official talks.

If you have any questions (feel free to ask and call me)

Regards

Neo Mashiloane (Group MD & Deal maker)
